## GTP 2012 Summer Art Camp

Glazed to Perfection's Summer Art Camp will again be patterned after "Art Destinations," the program we have run through Montgomery County's Department of Recreation for over 12 years now. We have always had a packed program and fabulous feedback from all the kids. We have many children—boys and girls—who come for 2, 3, 4, or more sessions, year after year. Our program is designed for children 8 to 15 years old to have access to lots of supplies and to allow them to create at their own pace, through experimentation, with only limited instruction or targeted direction. There are few set projects—just lots of ideas and materials for the kids to work with. In many programs, the kids will all make the same project and they all end up looking alike. Not in our program. We have found that the kids don't want more school—they want fun. So we give it to them (but, they learn in spite of themselves.)
